❖ Wireless Systems

- Municipal Wireless Mesh Analysis
- Design and Implementation Management
- Public Safety Wireless LAN Integration Planning & Implementation
- Public Safety Radio Systems Integration Planning & Implementation

Business Vision
Real-World Results

❖ **Computer Aided Dispatch Systems**

- Planning
- Design and Implementation
- RFP/RFQ Development
- Procurement Management
- GIS Integration
- Automatic Vehicle Location
- Public Safety Wireless LAN Integration

❖ **Voice and Video over IP**

- Communications Integration for Public Safety
- Upgrade Planning and Implementation
- Integration of Multi-media and Telematics Data into PSAPs
- Communications Security
- Digital Media Storage Planning and Implementation

❖ **Geographic Information Systems**

- Planning and Data Reconciliation & Standardization
- Integration and Implementation Management
- RFP/RFQ Development, Procurement Management
- Ongoing Management and Data Quality Planning and Implementation
